Lloyd's Register of British & Foreign Shipping
Ports of Newcastle and Shields.

OFFICE North Shields, 24th August 1870.

George B. Seaford Esq^r
Sir:

I beg to return
the Report on the *Steptoe*, No 11218, with
the allowance for crew space inserted therein.
With reference to the anchors of this vessel,
it would appear that the Builder had
provided them under the guidance of the
enclosed Table, it not having been
observed that a difference in weight
existed in the first five cases between
this and the last table issued.

I am, Sir, Your obedient Servant.
