B. C. Mudge Esq
Dear Sir.

Liverpool 4th May 1872

We have to inform you the Barge
"Cecilia" was launched in August 1863 at Preston
and Classed 20 years in Red in Liverpool Registry
after passing through several hands we bought her from
the Trustees of the late Royal Bank and consequently
unable to obtain the Testing Certificate of Anchors &
Chains but have examined the Books of the Liverpool
Registry and make Certificate from the Secretary which we
hope will be sufficient for your Committee to assure
themselves of the sufficiency of this Ship's Equipment
of which if we were not ourselves fully satisfied would
on our own account have procured any further
information in our power we will be glad to furnish
and remain

(Signed) Yours respectfully
Wm. & Co.
