

Recd Dec. 17<sup>th</sup>

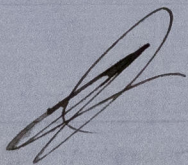

Answered Dec 18<sup>th</sup>

Screw Steamer "Jelt" belonging to the  
Union Steam Shipping Coy.

Provided this vessel be placed in  
dry dock and subjected to a survey by  
one of the Surveyors to this Society, and  
the scantlings, as marked on the tracing  
of the Midship section appended to the  
Report, be found to correspond with the  
ones in the ship, she will, on being fa-  
vourably reported to the Committee, be eli-  
gible to be classed 100 T. (Three Decks).
