Sunderland June 8th 1875

B. Weymouth Esq.
Secretary.

Sir.

I have to acknowledge receipt of your telegram of this date, respecting the Machinery of S. S. "Bermuda". And I beg respectfully to acquaint you that I surveyed the Low-pressed Cylinder of this ship, which is the part damaged, yesterday in the Tyne. and will again visit the vessel this afternoon. It is not a serious damage, being a crack in outer metal of steam jacketting. I enclose Copy of report supplied to owners this morning, and will forward you report when repair is finished.

I am Sir
Your Obedient Servant
William Allison
