If the accuracy of this Telegram is doubted, it will be repeated on payment of half the amount originally paid for its transmission; and, if found to be incorrect, the amount paid for repetition will be refunded. When the cost of a reply to a Telegram has been prepaid, and the number of words in the reply is in excess of the number so paid for, the Sender of the reply must pay for such excess. Telegrams may be redirected from town to town at an extra charge of one-half the ordinary inland tariff, fractions of threepence being reckoned as twopence; but in such cases they must not have been opened.
