Barrow 24th August 1876.

The Secretary
Lloyd's Register of Shipping
London.
Sir,

In reply to the letter of the
19th instant respecting the alterations
now making in the boiler of the
Steam Steamer "Howard" I beg to
acquaint you that the Barrow
Shipbuilding Co. have arranged that a
trythened trial, at sea, of this vessel
shall take place in about a week or
ten days and ask that this Society
be represented on that occasion.

Information as to the day when
it is proposed this trial shall commence

will be forwarded as early as
possible.

I am, Sir,

Your obed^t servant
William Barr.
