Dear Sir

We beg to acknowledge the receipt of your letter of the 10th Oct, the contents of which we have noted. For the information of your Committee we enclose our copy of our correspondence with the Board of Trade on the same subject. In addition we beg also to explain, that the works of the S. R. "Red Rose", which have had between two and three months pretty continuous steaming, were of a somewhat different construction from those of the S. S. "Howard", which latter during their several trials, did not give any indications whatever of trouble

to any deal we may have with
