

Recd. 6/10/75

Ans. 6/10/75.

Iron Screw Steamer, designated No 39,
to be built by Messrs Day, Summers & Co
to class 90 A.

Dimensions 98.6 x 17 x 9.0

Numbers 32.8 and 3176.

Should this vessel be required
to be classed 90 A without any special
notation in the Register book, it is sub-
mitted that the Plans should be
in accordance with the Rules Section 7,
and as shown in dotted lines on the
sketch submitted. If however the
vessel is to be noted "For Tug purposes
only" it is submitted that the plan
proposed might be considered satisfactory.

Provided in other respects the
arrangements shown be carried out, together
with the remaining requirements of the
Rules, to the satisfaction of the local Sur-
veyor, this vessel will, if it is submitted
in completion and fairly up-to-date
specimens, be eligible to be classed 90 A
as contemplated.
