Engineers & Shipbuilders.

PORT GLASGOW.

Inch Works 29<sup>th</sup> Feb 1876  
To Messrs the Surveyors to Lloyd  
Greenock.

Dear Sirs.

In reply to yours of the 16<sup>th</sup> inst. regarding the  
Midship section of Iron Screw Vacht we now beg to  
enclose a somewhat modified section along with a  
Longitudinal section showing position of bulkheads &c.  
We would esteem it a favour if you would kindly  
let us know by return if your Committee will entertain  
our proposal to have this vessel built under Special Survey  
and classed in your Registry A100. We remain Your most Obedt Servts  
J. Cunliffe & Dunlop.
