

New Iron Barque "Spirito" 751 Tons
built by Messrs Austin & Hunter at
Sunderland under special Survey with a
view to the 100 A Class. The certificate of
class is requested immediately, the vessel being for sale.
It is submitted that this vessel
appears to be eligible to be classed as
recommended viz 100 A.1. - 1 Deck
2 tiers of beams.

The sails are not to be put on board until
after the vessel is loaded, to avoid the
coal dust. It is submitted that the
certificate should be retained by the
Sunderland Surveyors until the sails
are put on board as suggested by Mr
Besant.
