Sir, I have to acquaint you that the Committee have had your Report No. 2 on the Iron Paddle Steamer "Lillibet No. 2" before them, and have, in accordance with my letter of the 3<sup>rd</sup> October last assigned to her the character "A - for River or similar purposes only", and I send to you a Certificate of this classification.

With allusion however, to the class assigned to the Iron Steamer "Lillibet" of "A - for limited purposes" (No. 1, 25 in the Report Book) and to the intimation in your Report of the "Lillibet No. 2" that she is also for "limited purposes", I am to acquaint you that if it is desired by the owner that the Class of both vessels should be identical in this respect, the Committee will, on your application of such wish, be ready to reconsider the classification of the last named vessel.

I enclose a certificate of the record of Lloyd's Reg.
