

5
Iron Screw Steamer "China" 1773 Tons
1173 Tons
- No 704 in Register Book - built at
Newcastle in 1869 and Classed B 1.

It is submitted that this vessel
does not appear to be entitled to be
raised under Circular No 248 to the
A Class, as the edges of the plating
from keel to sheerstrake are single
instead of double riveted & nor does
she appear to be eligible to be
Classed 100 A 1. as recommended.

The third bow anchor now supplied
was tested in 1870 at a Machine not
recognised by the Committee.

Special Survey No 2 has been complied
with and a poop added 138 feet long.

The vessel appears to be in good
and efficient condition and eligible
to remain as Classed viz B 1. -
subject to a bow anchor being
supplied in accordance with Table
22 - and to be marked S.S. Hull No 2.77
in the Register Book
