OFFICE

North Shields, 26<sup>th</sup> March 1878

The Secretary,

Sir,

Your letter of the 22<sup>d</sup> Inst to hand,  
referring to Bunkers of S.S. "Compton" a copy of which  
was sent to the Builders, I received a letter  
from them yesterday asking me to meet Mr  
Richardson. He expressed his regret that there  
had been any misunderstanding regarding the  
Bunkers, as he personally thought they had  
carried out the requirements. I enclose copy  
of letter received from him this morning, offering  
to clean on one the inside of bunkers as soon  
as she returns from her voyage.

I remain,

Your obedient Servant  
John Brockat.
