

Lloyds Register of
British & Foreign Shipping
Glasgow. 16 May 1878

The Secretary Lloyds Registry - London -

Sir -

Referring to the Glasgow Report -
No 4624 - Taddle steamer "Brighton" and the
case of three malleable cast iron anchors (Morton
patent) - Messrs John Elder & Co have enclosed
for your guidance three certificates of re-
sized Morton patent anchors now dispatched
from this port to Rangoon - with details of weight
and tests as set forth on the enclosed -
heading - and now beg respectfully that the
Regl. may now be assigned in this case.

I am Sir,

Yr obedient servant.

James F. J. J.

One enclosure.
