

For Mr. Laing.  
28/2/78 L

Memorandum.

Received 28/2/78 L

Feb. 15. 1878

From James Laing.  
Deptford Yard.  
Sunderland.

To Messrs.  
Lloyd's Surveyors.  
Ltd.

Gentlemen.

Find that Equipment  
Number for No 233 just exceed limit if  
 $\frac{1}{16}$  has to be added - but in this case there is  
neither Top Gallant Forecastle nor poop - the  
Bridge only is enclosed. Please therefore to  
inform me if you still require  $\frac{1}{16}$  add. I beg  
to enclose Tracing showing arrangement.  
an early answer will oblige J.L.

Equipment No. 19885  
 $\frac{1}{16} = \frac{1}{1192}$
