Sir

In accordance with your letter  
of the 18<sup>th</sup> inst. with enclosed copy of letter relative  
to the Stern frame of S.S. "Gorm" I attended  
The Stockton Forge Co and examined the frame  
on its return and found the quality of the  
iron quite satisfactory where tested I forward  
three samples of same - where marked X on  
tracing enclosed the iron at that weld did  
not look so well, but the same was to cut  
back a few inches.

The Railway Accident was of serious nature  
as regards the amt of damage done to Railway  
Stock I attach extract from Newspaper -

I am,  
Your Obedt Servant,
