Sir,
S.S. Ella: 70.504

I have received your letter of the 27th inst. I had also a note from W. Duncan and in accordance with a suggestion of his I now ask you to have the goodness to instruct your Glasgow Surveyor to come here on receiving notice from me of the Ella's arrival - probably about Thursday or Friday this week - and make a proper survey of the Boiler. It is to be understood that he is to give me his report immediately after the survey, and say if anything and what should be done in order to purchase the fig. 1 for equipment.

I need scarcely add that I of course expect ~~that~~ he will come to the survey unprejudiced by anything that has taken place.

Waiting your reply I am, Sir,
Yours obed^t. Serv.
