

Newcastle on Tyne 16 Dec^r 1849

James Williamson Esq
Lloyds
Sunderland

Dear Sir

of Lupton

In reply to your inquiry respecting
the above vessel I beg to submit
to you the following particulars of the
Cargo she is now loading at your
port-

Iron Rail - now aboard 530 tons
Railway - wood - sleepers } 1600 "
Estimated
Bunker Coal 350 "
2500 "

In addition to which
I suppose her share of damage } 50
& Stow about - Say 2556 tons
Total

The vessel's displacement scale gives

with that bought on board a new
draft of 20'. 5" and a clear
side of 6'. 4"

I am Dear Sir
Yours faithfully
Thomas M. Noble

Marine Superintendent for
Messrs Wm. Milburn & Co
