Sunderland 16th Decr. 1879.

Sir,

In reference to your letter of the 15th inst. I beg respectfully to forward herewith enclosed, for the Committee's information, a letter received from Captain Mc. Nabbe the owners' Superintendent of the S.S. "Compton" setting forth the particulars required by the Committee in order that it may be determined whether or not a certificate as to the draught of water when the loading is completed may be granted previous to her undertaking a voyage to Calcutta.

I am informed that the vessel will be fully laden and ready for sea tomorrow night.

I am,

Sir,

Your obedient servant.

The
Secretary Lloyd's Register.
