Leghorn 6th October 1900

Sir

I have the pleasure to forward you the
Reports of Survey held on the Machinery, as well on
the Hull of the new Italian Steel Screw Steamer
Isola di Fenignana, built at Mess^{rs} Orlando's
Yard under my supervision, with the assistance
of Mr Parini, Marine Engineer, being the Steamer
ready to sail. Please to look over, whether the
expenses charged are correct on the Hull & Machinery

I am Sir
Your obedient servant
