

Is. "Isola di Lavignana"

It is submitted Mess^r Orlando be informed that Sec 1 par 1 of the Rules for Steel Vessels requires that they "must be built under special survey" and consequently the fees charged for their survey are regulated by Sec 28 par 1 of the Society's Rules and Regulations. Fees charged in accordance with Sec 27 of the Rules and Regulations are not for surveys held by the Society's Surveyors but for classing and Registration. It should be pointed out to Mess^r Orlando that from the Surveyors report it appears that he has made sixty eight visits in holding the special survey on the S.S. "Isola di Lavignana" while being built
