

Ship "Leila"
Liverpool Survey No 564

Glasgow June 25th 1836

Mr R. Tardell

Sir

We have heard that your
vessel the Leila is accused of having foreign
oak on her. we beg to inform you that
if one inch of such wood is found on
her either inside or out we will be answerable
for the expense of removing the same.

We warrant her to be built entirely of British
and African timber & plank

We remain Sir

Yours Respectfully
