The "Lady Falkland" reported by

Mr. Munn has been copied is a new ship direct from  
 Cape Breton to Scotland & from thence to this place & as  
 the tonnage differs considerably I did not consider it  
 necessary to make any further enquiries being already in  
 possession of those statements. A certificate of classification  
 is requested for the "Falcon" No. 4768

I am Sir Respectfully  
 Your Obedient Servant
