

## CHAIN CABLE CERTIFICATE.

Liverpool, 22 August 1849

This is to Certify, that we have supplied Messrs.  
Cameron Miller & Co. of "Standard" with a Chain Cable of  
1 3/16 inch diameter of Iron, 90-fathoms in length, having 6  
shackles, and weighing <sup>Cwt.</sup> 614 <sup>Qrs.</sup> 0 <sup>Lbs.</sup> 10, that it was carefully proved  
by a Machine kept by us for that purpose, and sustained the test of 26 tons.
