Dimensions	Length over all	150.0
	Breadth Moulded	26.0
	Depth do.	10.5

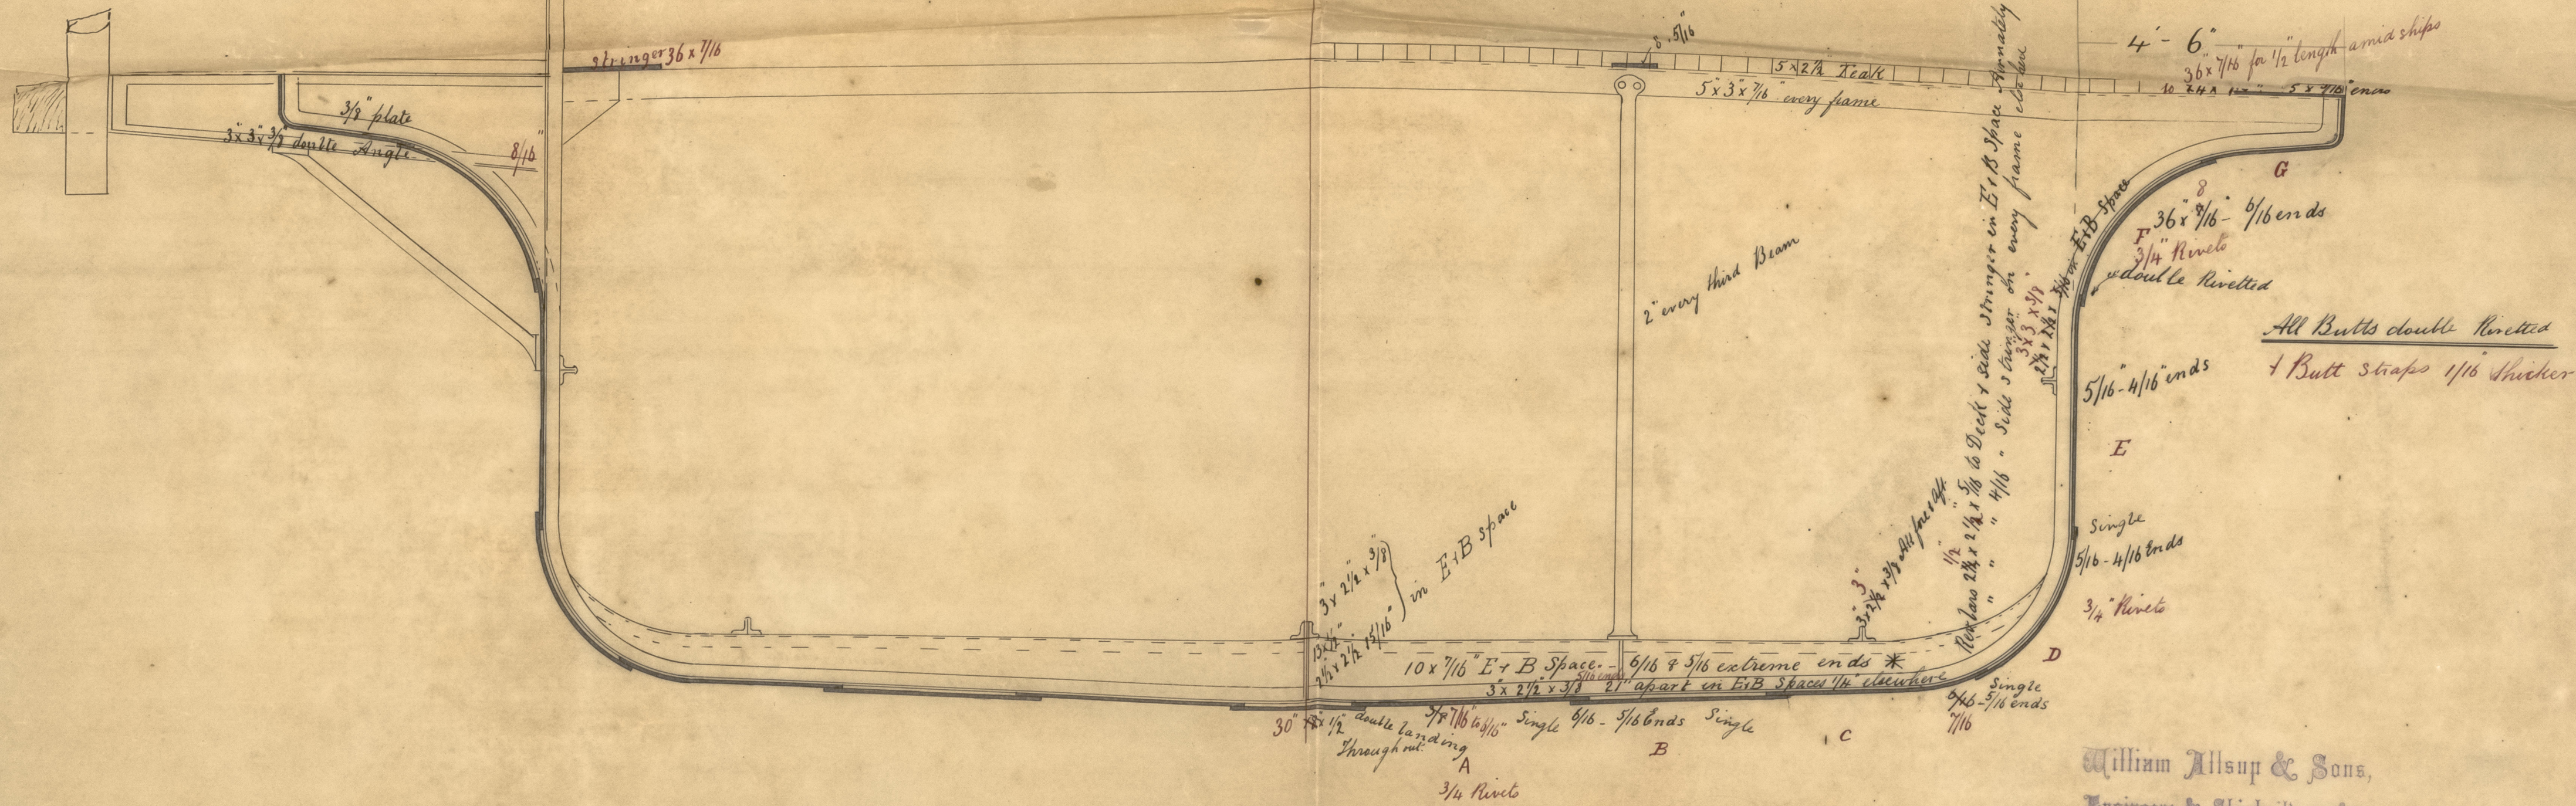

A detailed longitudinal section drawing of the Saloon Deck of the USS Albatross. The drawing is oriented horizontally, showing the deck structure from the bow on the left to the stern on the right. The main deck area is labeled "Saloon Deck" at the top center. Below the deck, the hull structure is shown, with the central section labeled "Engine" and the two side sections labeled "Boilers". The entire drawing is titled "Longitudinal Section" at the bottom center. The drawing is a technical sketch, likely a pencil or light ink drawing, showing the internal structure and layout of the deck and hull.

Scale $\frac{1}{2}$ of an Inch to the Foot

William Anson & Sons,
Engineers & Shipbuilders, &c.,
Preston.

Lloyd's numbers

Half Beam	13.00
Depth	10.9
H Girth	22.0
