

LIV587-0281

Iron Sailing Ship "Europyda."

This Vessel hitherto classed A 1st Red in the late Underwriters' Registry is now submitted for Classification in this Society on the 100 A 1 Grade.

The Vessel was seen by Mr. Light whilst building and her scantlings fully noted by him as stated in the report herewith.

The scantlings compare satisfactorily with Rule requirements.

The special surveys have been fully complied with from time to time, and it has been decided to accept the T. S. No. 3/85, carried out under the surveyors of the Underwriters' Registry, as equivalent to such survey in this Society.

It is therefore submitted that the Vessel is worthy of the Committee's favorable consideration for classification in this Society on the 100 A 1 Grade.
