J. F. Light Esq^r
Secretary, Lloyd's Register,
Liverpool.

Sir,

In reply to the enquiry contained in telegram to hand this afternoon respecting the new vessel "Metropolis" I-forward report No. 32503. I beg to state that in the first instance it was the intention of the builder to fit quarter stanchions but afterwards the size of the Beam was increased in lieu of fitting these stanchions, as per Section 13 par 4 of the Rules. -

The mention in my report of quarter pillars for half length is an error which I regret, and now desire to correct.

I am,
Sir
Yours Obedt^{ly} Servant
H. Mowbray.
