Dear Sir

9/5 "Alagonia"

We thank you for
your letter of today. You
will be quite right in
informing Lloyds that
this steamer is trading
between Newcastle & Melbourne
and that she is in
Melbourne about every
eight days, also that we
will write Capt Davis
to give their surveyor
every information ~~all~~ facilities
to complete the survey.
We will write Capt

Davis on Friday in
reference to this matter.

Yours truly
E. F. & W. Roberts
