Port London

Repairs.

At the present time Copper Examined and repaired when necessary - The Side Stern Timbers Scarphed and the After Ends of the Topsides properly shifted over them, New Quarter pieces - Ends of Deck listed Hood Hook on Deck removed and replaced by a long Iron Breast Hook extending aft. to the Catheads

General Observations and Opinion, as required by the Instructions.

The Copper of this Vessel is in good and efficient Condition - The Timbers aloft seen in shifting Stern Timbers are sound and in good condition The Topsides, Trals, Waterways Planksheers Decks, Waterways Deck fastenings, Breast Hooks Transoms & Lommings are in good condition In my opinion she ought to remain classed A.1
George Bayley
