Good *Good* *Sufficient*
Good

Observations and Opinion,
 required by the Instructions

at the present time a piece of sheathing taken out of Bilge,
 Starboard Upper Course, ~~the~~ under wale and at
 the bottom's forward below - found the ~~stems~~ and
 built perfectly sound and hard - the Bottom Churned
 Committee Minute 5 July 1833 & sheathed with 1st Teak nailed with
 wrought copper nails - From the remarkably
 sound state in which we find the ~~churn~~ ^{churn} -
 the excellent condition of the Churn and the
 superior quality of the sheathing we are of opinion
 that it is not advisable to strip the sheathing off
 apparent - but as it has been on for a longer
 time than the rules admit, we best refer it
 to the Committee for their special consideration

Character assigned 12 A 1
