General Observations and Opinion,  
 as required by the Instructions,

It is stated that all the defective Timbers were removed,  
 which appears probable - but the Ceiling being nearly shut,  
 in which I feel I cannot speak with certainty on  
 this point - Mr. Lantier saw her when opened - She is  
 now in a good and efficient state of repair & should in  
 our opinion remain as at present classed A. 1

The Amount of Fee..... £ : : is received by me.
