Classed A

At the present time; I shipped Carthage and Peppers
the Bottom over Glascoth felt; Shipped 1 defective
blank in the Lark? buttack at the light water marks
and found 23 defective timbers; recommended a pair
of long diagonal. Sawn Ribs to run to the L. Deck
beam, and crossing 9 Timbers; which has been properly
and efficiently done; Carthage the rails, 2 Poles, 10 Shingles
Railways & one stroke of deck, all which has been thought
overhauled and examined -

General Observations and Opinion
