Mr Macmillan to report with
the Eden is not entitled with
benefit of the Resolution
of the 1 Dec 1842 -

C. G.

From the very high state of efficiency in which
the Eden was when surveyed by me in Feb 1842
I have no doubt that under ordinary circumstances
she would be found fit for the safe conveyance
of dangerous cargoes to & from all parts
of the world & eligible to be classed
A, 1 with the Rotenish
