| Plank Shears                  | Counter   | Cables                     |
| Waterways                     | Plank and Treenails<br>(Outside to the Water's Edge.) | Anchors No. of             |
| Hatchway Comings              | Rudder  | Standing & Running Rigging |
| Breasthooks                   | Windlass  |                            |

General Observations and Opinion, Shipped, caulked, and sheathed with yellow metal  
 as required by the Instructions, over paper, and appears in all respects fit to retain  
her present class,

Committee Minute 22nd March 1844

Character assigned 10A1

No. 299 Survey held at London Date March 1844  
 on the Ship By Whom Master Buttall  
 Tonnage 172 Built at Warrmouth When built 1826  
 By whom built \_\_\_\_\_ Owners Wes & Co  
 Port belonging to London Destined Voyage Mediterranean  
 If Surveyed Afloat or in Dry Dock Dry Dock

Original Survey, No. 1997 Port of London

Classed A, 1st class

The Surveyor is required to state the present Condition of the

|                               |   |                            |
|-------------------------------|---|----------------------------|
| Decks                         | Transoms  | Capstan                    |
| Upper Deck Beams & Fastenings | Timbers of the Frame                                  | Pumps                      |
| Lower Deck Beams & Fastenings | Topsides  | Masts, Yards, &c.          |
| Spirketting                   | Wales   | Sails                      |
| Plank Shears                  | Counter   | Cables                     |
| Waterways                     | Plank and Treenails<br>(Outside to the Water's Edge.) | Anchors No. of             |
| Hatchway Comings              | Rudder  | Standing & Running Rigging |
| Breasthooks                   | Windlass  | Copper                     |

General Observations and Opinion, having been on shore has had the flat of her bottom shipped  
 as required by the Instructions, hang & caulked and sheathed with yellow metal  
from her general appearance we are of opinion she is  
fit for the safe conveyance of dry & perishable cargoes  
& from all parts of the Ward and may continue  
in her present class
