REPAIRS

This Survey was held by verbal request of new Owners. Ship hung in shores, Keel seam Caulked, and a new False Keel fitted in Dry Dock.

While in Dry Dock we informed the Owners that she was eligible to be Surveyed under Rule 54 with a view to her Continuation.

Afloat in the West India Dock we examined a small portion of Treennails, and the Planking of Wales Amidship on the Port side, in a length of less than 20 ft, and in that space we found a few decayed Treennails, and the Planking around them decayed inside. These appearances have been pointed out to the Owners, and they have stopped further Survey till her return from the present engagement when they promise to do all which may be required for Continuation.

Present Condition of the

Decks	Treennails	Windlass and Capstan
Waterways	Breasthooks and Stemson	Pumps
