### General Observations and Opinion.

Copper

## Caulking of Bottom, Deck, & Waterways

## Hawsers and Warps

## Standing & Running Rigging

where necessary

Now done: - Vessel caulked from Keel to gunwale,  
a strake of deck next the waterway on each side renewed  
of Canton Fir, and yellow-metal renewed on paper.  
She is now in good and efficient condition and in my opinion  
18<sup>th</sup> March 1864 eligible to remain as Classed 13A.

Now done: The yellow-metal stripped off the bottom  
and caulked from Keel to two seams above the metal  
and the yellow metal renewed an yet: - she is now in good  
and efficient condition, and in my opinion eligible to  
remain as closed.
