General Observations and Opinion,

Caulking of Bottom, Deck, and Waterways

Now done. The Quarter galleries removed, and five after shifts of the Roop drift on the Port side, and two d on the Starboard side renewed with Bantye fir, also New Quarter pieces of Bantye fir. New plank sheer between drifts of Teak. New Chain and preventer bolts fore and aft also several of the Chain plates renewed and the remainder overhauled. The Sheerstrakes and topsides in way of the Channels, caulked also the plank sheer and New Roop drift. She is now in good condition and in our opinion fit for the safe conveyance of dry and perishable Cargoes to and from all parts of the world and eligible to remain as Classed *A, 1

Committee's Minute 12th December 1856
