Handwritten notes in margins:
 Left margin: good where seen
 Middle margin: good where seen
 Right margin: good and sufficient where seen

Lighted bottom, the yellow metal patched; renewed the ribs at the fore foot with English Elm, and payed the yellow metal with Peacock's patent paint; as far as could be seen with a large amount of ballast fore and aft in the hold, she is now in good and efficient condition and fit in our opinion to remain as classed P.A.1.
