

Carl J. Billiter Street,  
London E.C.

17<sup>th</sup> March 1868

Dear Sir,

50 19 53

As our 'Thor Sledge' is built in  
excess of the present rules in many respects  
and has her planking and dead wood  
of teak we have to request your placing  
the ship on the 17 years grade in  
lieu of 15 as at present.  
She will be in Carter's Bay Dock on  
Saturday and can then be surveyed  
by your Surveyors.

We are  
Dear Sir  
Yours Respectfully  
Thor Sledge Co.
