Saw the owner and also the Master of this vessel who were aware that her time was up according to the Rules, but for the present they decline going into the necessary repairs. for continuation.

I may just add the yellow metal which I found in an unsatisfactory state, has been covered over with about 400 sheets of New Metal, and the Rudder has been lifted and the upper part made good.

## General Observations and Opinion,

Caulking of Bottom, Deck, & Waterways.

16<sup>th</sup> June / Referring to the above I ought to have stated that the Owner objected to submit the vessel to the requirements of the Rules for Continuation but intimated that he would do so on her return to Liverpool. I had not an opportunity to ascertain if she deserved a class in her present condition.
