Coal Bunker, Openings, Lids, &c.		Bottom, Deck, & Waterways		Hatches	<u>Good</u>

General Observations, Opinion as to Class, &c.

This vessel appears to have had her bolts renewed with Y. Metal in June 1871. Please see London report No. 31. 689. The S.S. is not therefore due until the end of 1875. She is now in a good & efficient condition & eligible in my opinion to remain as classed.
