The bottom has been examined, cleaned & coated. The upper deck recaulked. In this case an untested bower anchor, ^{of full weight} has been put on board to supply the place of one deficient. The Owners have promised to replace the untested anchor with one tested as required by Rule, and in view of this the Owners, who have a number of anchors in stock are making arrangements for sending them to the Tyne for testing so as to be available when required and at the same time fulfil the Rule in supplying them to the Company's Classed vessels when required. It is submitted that she may remain as classed on the understanding stated above.
