The boilers of this vessel were surveyed in
April last and were passed for only six
months on account of their condition.

The owners now refuse to submit the
boilers to the further survey required and
Mr Wilkinson, who last inspected the
boilers, declines to recommend an
extension of the limit of 6 months.

It is submitted that the
vessel's class should be
expunged by means of
a red line thus ~~11/81~~

as provided for in the
~~Rules Section~~ ~~Boilers~~
to the Register
Book.
