(If a Steam Ship, state if a Report is also sent on the Machinery         )

General Observations, Opinion as to Class, &c. The Character of this vessel was suspended in the Register Book in consequence of some repairs required by the Surveyors. These see their report relating thereto. The hull and equipment being in good and efficient condition I am of opinion this vessel is eligible to be classed as before provided a favourable report is now made on the Machinery and Boilers.

Committee's Minute Friday, February 24<sup>th</sup> 1882.

Character assigned Replace 100% Surveyor to Lloyd's Register of British and Foreign Shipping.
