Part special survey No 2.

This vessel has been placed in dry dock and the bottom examined & coated. The limber boards and ceiling in excess of three strakes fore and aft on each side removed; the cement examined and a large part renewed. Part of the close ceiling in hold renewed. The hold from the top of close ceiling to lower deck beams cleaned & coated.

On account of damage, part of poop deck renewed of 3" yellow pine; several main bulwark stanchions renewed and others repaired.
