Last Survey, No. 42578 Port London S. S. Lon No. 1-82 100 A 1
 REPAIRS, OR EXAMINATION AS PER RULE 9, 83
 Cause of Repairs to be clearly stated. Society's Freeboard (if assigned) as painted on Ship.

This vessel has now been placed in Dry Dock, the bottom examined and recoated with paint. A hole found open in the floor space next before the tank end in the fore hold on the port side, either from a tapped or other rivet having dropped out and the vessel made water and is stated to have damaged cargo in consequence; one plate badly broken in the tank top also sundry rivets found broken and leaky, the ceiling lifted off the said tank, a new plate fitted broken rivets renewed, and the tank examined and tested.
