State dates of any letters respecting this case MOULDED DEPTH of Ship, if not yet recorded in Register Book

This vessel is now for sale, has been placed in Dry Dock for sighting the bottom, - The Metal is much worn off in a bad state, and requires to be stripped, and the after Keel appears to have dropped from the Sternpost leaving the joint very much open, and it requires to be set up and refastened.

The Owners have been advised in reference to the above and of Survey for continuation being due.

Present Condition of the	Treenails	Windlass and Capstan
