Particulars of Repairs and Examination Boiler Survey  
(State clearly the cause of Repairs if any, and, in detail, the nature and extent of Examinations and subsequent Repairs. Repairs on account of Damage should be separated from Repairs due to other causes. State also the dates and initials of any letters respecting this case.)

Examined sea cocks and connections and found them good.

Examined Condenser and found it good. Several tubes had been renewed.

Examined safety valves (loaded levers) and found them in a good working condition.

Examined Superheater and found it in a good condition.

Examined ~~2~~ 2 main boilers & found them in a good condition. A few patches and rivets in the furnaces had been repaired or renewed.

General Observations, Opinion, and Recommendation:— As far as seen the machinery of this vessel appears to be in a safe working condition and eligible in my opinion to have the notification B.S. 8.84 recorded in the Register Book  
(State clearly what alteration, if any, is suggested to be made in the existing notification of the vessel's machinery in the Register Book, consequent upon this survey.)
