Particulars of Repairs and Examination Annual Survey.

(State clearly the cause of Repairs if any, and, in detail, the nature and extent of Examinations and subsequent Repairs. Repairs on account of Damage should be separated from Repairs due to other causes. State also the dates and initials of any letters respecting this case.)

Vessel placed in dry dock sea connections examined & found to be in good condition, Propeller disconnected to line up stern bush when the end of tail shaft was found to be broken away at side of Key bed & the iron being very open, recommended a new end to be forged on which has been done, the stern bush reworked & the whole replaced.

General Observations, Opinion, and Recommendation:—

(State clearly what alteration, if any, is suggested to be made in the existing notification of the vessel's machinery in the Register Book, consequent upon this survey.)

As far as seen this vessel appears eligible to remain as classed.
