Particulars of Repairs and Examination *Limit to Machinery*  
 (State clearly the cause of Repairs if any, and, in detail, the nature and extent of Examinations and subsequent Repairs. Repairs on account of Damage should be separated from Repairs due to other causes. State also the dates and initials of any letters respecting this case.)

*Examined Levecks & connections & found them good  
 The key in the tailshaft has been renewed and the propeller refitted. The old key had been loose & the keyway has been damaged but is in a safe working condition*

General Observations, Opinion, and Recommendation:— *As far as seen the machinery of this vessel is in a safe working condition and eligible in my opinion to remain as classed provided the tailshaft be again examined within a period of six months*  
 (State clearly what alteration, if any, is suggested to be made in the existing notification of the vessel's machinery in the Register Book, consequent upon this survey.)
